Trailblazers News

Wednesday 12th October will be Rachel's last day with us at nursery, and although we will be sad to see her go, we are happy for her as she moves onto a new career at the Headland spa.

Damselflies

Most of the new children have begun to settle in at nursery now. Cathy will be able to tell you who your child's key person is.

We are taking part in all things autumnal e.g. hedgehog bread, tree painting, autumnal walk and we are working on our Autumn display of the Little red hen.

A MESSAGE FROM LORRAINE

Our Autumnal theme within Dragonflies over the last few weeks has kept the children very busy, they have had the opportunity to do many exciting things which include Autumn walks and leaf scrunching. We've made apple dippers, and picked and eaten blackberries. We've been leaf painting and vegetable printing as well as making a lovely homemade vegetable soup for our snack. Next week the children will be baking bread hedgehogs. We've had amazing fun and hopefully your child has been talking all about their fun time with you at home.

The week commencing 17th October we will be starting our mini beast theme. We will be building a wormery and a bottle bug hotel. For this we would ask if you could provide your child with an empty 1litre plastic drinks bottle.

Over the coming weeks I will be asking if you could send your child in with their favourite bedtime story. I will speak to you all individually when it's your child's turn.

On another note, please let me know if you are unsure of what your child's next steps are or how to help your child to achieve them. If you are having trouble with any aspect of Tapestry, I will be happy to help.

If your child requires a Time for Talk meeting, then a staff member will contact you in due course to arrange a convenient time.

GENERAL NOTES

Please:

Do not send your child into Nursery with their own toys as it can be distressing for them if they get broken or lost.

Provide changes of clothing as we do lots of messy play.

Provide coats and wellies as we try to go outside every day.

If you have questions or concerns about anything, then do come in to talk to us. Thank you for your continued support.
