

English

Closely linked to our topic, we will be researching how the pyramids were made and creating our own information booklets based on this.

Science

In science we will be looking at the human skeleton and how we can use its design to help create tools and levers.

MATHEMATICS

During this half term we will be focussing on place value and addition and subtraction. We will also be working on 3D shape specifically pyramids.

Geography and History

Looking at the life of the Ancient Egyptians will be our focus with geography aspects including how the Nile delta Influenced their lives.

Curriculum Newsletter Year Three

Essential questions

Which Tomb was the toughest?

Language

We will be investigating the written language of the Ancient Egyptians and how it differs from our own?

RE

We will be looking at how Christianity came to Cornwall and the Celtic Saints .

Art and Design

Art will be focussed around Egyptian hieroglyphics and mummy death masks.

PE

PE will consist swimming on a Wednesday afternoon for the majority of the term. We will also be learning the key skills of Tag Rugby.

PSHE

We will be voting for our school councillors in the first couple of weeks and then discussing the topic of compassion.
