

During lessons, we will be learning the different spelling rules and strategies.

At home, we would like children to practise their spellings at least four times each week in their home spelling books. They can choose to do this by either using the suggested activities on the sheet (stapled to their books), through writing sentences containing the words or on a 'Look, Cover, Write, Check' sheet. Home spelling books need to be brought to school every day. Spelling tests will be on Fridays.
