

Year 5 Spellings Spring Term 1

Treverbyn Academy

Head of School: Mr S Welch

In school we will be learning the different spelling rules and strategies. If you are unsure about the meaning of any words, don't forget to look them up in a dictionary.

At home, you should practise every word from your spelling list at least four times. You can do this by choosing one of the activities from the sheet and doing it neatly in your spelling book or you can write sentences containing the word (punctuated correctly).

Spellings books need to be brought to school on a Thursday. We will keep the spelling books in school ready for our test on Fridays.
