Curriculum Newsletter

Year 4

Summer 2021

Why is change necessary?

SCIENCE

THROUGH RESEARCH, FIELD WORK AND INVESTIGATIONS, WE WILL:

* Explore the states of matter through grouping materials into Solids, liquids and gases. Observing and investigating how materials change when they are heated or cooled.

- Find out about the water cycle.
- Find out about food chains and talk about nutrition
- Find out how animals adapt to their environment
- Find out about human evolution and look ahead to the future
- Find out how the human digestive system works

HISTORY

Explore the Mayan civilisation and find out about their legacy.

RE

We will be exploring the question:

Why do some people think that life is like a journey and what significant events mark this?

P.E

Fitness, Tag rugby, Athletics, Rounders.
Team building and cooperation skills,
Swimming

ART & DESIGN

Finding out about great artists, architects and designers in history.
