

Treverbyn Academy & Nursery

Head of School: Mrs M Rundle

2nd July 2024

Dear Consultee,

At Treverbyn Academy we thrive to deliver high quality education within our local community. We currently take admissions from children from reception through to Year 6.

We are fortunate enough to have a nursery onsite and want to provide greater educational opportunities for our children with an enhanced transition between the nursery and the school. We are therefore looking to extend the school's age range to 2-11 years. We also envisage that this will have additional benefits from feeling part of our school community from a younger age and will provide greater consistency for our parents and families.

We would like your feedback on this proposal in advance of us submitting an application to the Department of Education to change our funding agreement to cover the ages of 2-11 years.

We have dedicated staff who seek to support all pupils as they strive for aspiration, perseverance, collaboration and compassion, this is embedded across our community, pupils, staff and families. We work together to offer our pupils opportunities and experiences to enable them to become successful learners, confident and responsible citizens.

A three-week consultation process to amend our funding agreement to 2-11 starts on Tuesday 2nd July and ends on Tuesday 23rd July 2024. We invite you to request a phone call or meeting if you would like to discuss these proposed changes.

Should you not be able to participate in the above and would like to make comments about the proposed change, please send this via email to hello@treverbyn.org.uk

Thank you for taking the time to hear our proposals.

Best wishes

Maria Rundle
