

# Treverbyn Academy

Head of School: Mr S Welch

Dear Parents and Carers,

## Blended Learning Offer

I would like to share with you our current intentions should your child need to be learning at home due to awaiting a test, socially isolating or participating in a pod lockdown. Hopefully such an event will not occur, nevertheless we are preparing for such eventualities.

Our staff will be sharing Maths, English and Topic tasks on Google Classroom (Y3-Y6) and Tapestry (Rec-Y2) so should your child be absent from school you will know what is being covered in the classroom and be able to support them at home to keep up to date with the learning.

If the whole pod is subject to a closure (possibly fourteen days) the staff will be asked to continue setting the daily English and Maths for their class. They will also share on Google Classroom or Tapestry other activities relevant to the topic. They will signpost key specific online resources such as White Rose, BBC Bitesize and Oak Academy to support the learning.

Pupils are learning in school how to use the e-learning platforms effectively and how to respond online e.g. KS2 pupils are gaining familiarity with Google Classroom. Most EYFS and KS1 parents are now familiar with Tapestry, should you need any further information, please email: [hello@treverbyn.org.uk](mailto:hello@treverbyn.org.uk) or phone the school office.

Staff will timetable a phone call to each family, to support the learning. This will be communicated to you through Arbor message. Google Classroom and Tapestry will also be used to feedback on work, when submitted. Pupils can ask questions using the Google Classroom platform.

Pupil logins can be accessed by the front page of the school website. Please do contact the school office if your child has forgotten their login details.

[This link provides guidance on how to access Google Classroom.](#)

Undertaking remote learning during a Covid 19 absence is seen as an expectation and parents should endeavour to ensure that their child undertakes this so as to not fall behind in their learning.

Please get in touch with the school office if you need an alternative method of remote learning e.g. paper copies or a loan of school laptop (very limited supply)
